Cash paid out for external poor Sept Term 1869 and to March 1870	2,547 83
Cash paid out for farm bills including Agents salary	2,971 90
Whole amount drawn from the Treasury	<hr/> \$7,727 80

In presenting our annual Report of the expenditures in maintaining our county poor, we deem it proper to make but a brief statement in regard to the management of that class of unfortunates. The number of paupers have increased since last year, and we have in many instances let paupers be supported in the families of their friends, this we considered in many instances not only economy, but humanity.

We regret to say that Mr Shannon and his estimable wife have tendered their resignation of the charge of the County Farm, owing to the ill health of Mrs Shannon. They are too well known to the people of county to require any commendation from us. We have secured the services of W S Woodman and wife, of Sanbornton, which we trust will prove satisfactory, not only to the tax payers, but to those who are compelled to seek a home on the County House.

RICHARD GOVE.	} Commissioners for Belknap County.
